Expand your knowledge of Speed Queen coin laundry equipment at the Technical Service Training Seminars held at the World Training Center in Ripon, WI.

Our product trainer will lead in-depth discussions on operation, installation, maintenance and diagnostic methods for Speed Queen laundry equipment. You will learn how to properly take apart and re-assemble Speed Queen equipment. In addition, you will receive a Speed Queen plant tour, product manuals and a certificate of attendance.

Whether you're an experienced Speed Queen service technician or want to learn more about Speed Queen products, our seminars will take you step-by-step through the technical aspects of coin laundry equipment.
